Hungry for Books: Early Literacy Workshops for Caregivers

Do you have a toddler or preschooler? Then you may be interested in this program!

It's never too early to start reading with your child and preparing them to succeed in school. Connect with fellow caregivers and educators by attending three **FREE**, fun, and interactive workshops throughout the year. In addition to hands-on training, participants will receive free picture books and art materials that encourage talking, playing, and building early literacy skills at home!
